

EcoVisio in Action - June 2019

'Good Food from Good People' - final episode

As part of our #FoodIsLove campaign, this year we've launched a video-series called 'Good Food from Good People', our way of showcasing Moldova's producers of clean, varied and responsible food.

We invite you to watch the 5th and final episode of the series (click the image above) about Ina Căpățînă and her famous berries. The rest of the episodes can be seen here

What We've Been Up To

Read more on our website

All-natural Rîşcova potatoes

For the past months, we've been helping 5 farmers from Rîşcova village grow potatoes without chemical pesticides, herbicides or fertilizers. See the first crops and place an order on their page, *Cartoful Rîscovean*

ActivePeace at the finish line

The ActivePeace 2018/19 program ended with a Reflection Seminar (1-4 June), 16 alumni and 5 inter-regional projects, incl. in Transdniestria and Gagauzia. <u>Details from the last ActivePeace seminar here</u>

Official opening of the Rîșcova - Ivancea lake forest trail

On June 9th we inaugurated the forest road connecting Rîşcova village to Ivancea lake, much to the delight of hikers, bikers, locals and mosquitos. Photos from the event here

activEco 'Sharing Economies'

On June 21-23 we had our last activEco seminar of the summer, on the topic of sharing economies. Within it, we also had a FreeShop in Rîşcova, our first one out of Chişinău. See here how it all went

Keep Cool World Cup Final

The 'Keep Cool Mobile' World Cup reached the final round on June 15th, with 24 international players competing. Big congrats to our winner, Alina Timoșenco (Moldova)! More on the Final here

HAlclub program wrap-up

Throughout the year, HAlclub has engaged 161 motivated students and teachers, most of whom are now implementing projects in their own communities. <u>Updates from their Reflection Seminar (17-20 June) here</u>

EcoVisio mini-grants

A total of 7 social and green initiatives from Moldova were selected for the second EcoVisio mini-grants (max. €1000) program launched in May. Read all about them and how they will invest our small support here

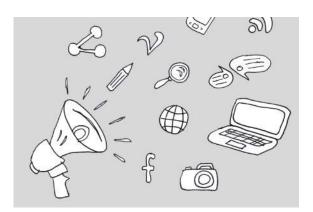

"Separate Waste Collection in Schools" pilot-project

5700 students from 10 schools across the country are now separating and recycling their waste, as a result of our pilot-project.
